Hi-Speed

### EXCEPTIONAL 23PPM PRINTING

When time is of the essence, waiting is simply not an option. That's where the Laser Shot LBP3250 comes to the fore. With an astounding 23ppm print speed (mono) and first printout in just six seconds, your documents will be ready before you know it!

### NO WARM-UP TIME REQUIRED

Thanks to Canon's innovative On-Demand Fixing technology, no warm-up time is needed for the LBP3250 to start printing. Furthermore, the printer consumes a mere 2W in standby mode, which means you save even more on operational costs.

### PROFESSIONAL PRINT QUALITY

Get high-quality monochrome prints (equivalent to 2400 x 600 dpi resolution) for text that's easier to read, and charts and diagrams that are clearly defined; made possible by Canon's Automatic Image Refinement Technology (A.I.R.).

### FUSS-FREE OPERATION

Requiring only one toner cartridge for printing, any maintenance needed by the printer is kept to a minimum. And a print capacity of up to 2,000 pages\* means it can effortlessly handle any workload.

\*With the optional toner cartridge 313

### THE MOST EFFICIENT PRINT SYSTEM

With High Smart Compression Architecture (Hi-SCoA), print data is compressed into more manageable sizes so less RAM is needed to process them. A quicker print speed is then made possible by Canon Advanced Printing Technology (CAPT3.0), which harnesses the abundant power of today's modern computers to rapidly process print jobs.

### MINIMUM SIZE, MAXIMUM EFFICIENCY

Weighing in at only 6.2kg, the stylishly designed LBP3250 is not only compact and lightweight, it's virtually silent in standby mode too. It also features a 250-sheet cassette and an output tray that doubles as a dust cover when not in use.

### EASY PC CONNECTION

The LBP3250 is equipped with a speedy USB2.0 Hi-Speed port that offers a quick, easy and seamless connection to your computer.

# LBP3250 SPECIFICATIONS

<b>Printing Speed</b>	Mono 23 pages* (A4)	
<b>Printing Method</b>	Electrophoto Method	
<b>Fixing Method</b>	On-Demand Fixing	
<b>Printing Language</b>	CAPT 3.0	
<b>Maximum Resolution</b>	2400 x 600 dpi (Equivalent with A.I.R)	
<b>First Print Time</b>	Approx. 6 seconds or less**	
<b>Toner Cartridges</b>	Cartridge 313: 2,000 pages* Bundled Cartridge: 1,000 pages*	
<b>Paper Input</b>	Standard Cassette	250 sheets
	Manual Feed Tray	1 sheet
<b>Paper Size</b>	A4, B5, A5, Legal, Letter, Executive, Custom paper size (Width 76.2 to 215.9mm; Length 127.0 to 355.6mm)	
<b>Paper Output</b>	100 sheets	
<b>Network Printing</b>	Optional	
<b>Operating Noise</b>	Printing	55dB or less
	Standby	Background noise level
<b>Power Consumption</b>	Printing	350W or less
	Standby	2W
<b>Dimensions (W x D x H)</b>	384mm x 258mm x 227mm	
<b>Weight (Printer Unit)</b>	6.2kg	
<b>RAM Memory (Standard)</b>	8MB (No additional memory required)	
<b>Interface</b>	USB 2.0 Hi-Speed	
<b>Supported OS</b>	Windows Vista (32bit/64bit) /XP/2000, Server 2003, Mac OS 10.3.9 - 10.5	

\* Print speed may drop in stages depending on the paper size, paper type, print copies, and the settings of the fixing mode.

\*\*May vary depending on the toner cartridge you are using or output environment.

+ Based on A4 plain paper single-sided printing at 5% coverage.

## ORIGINAL CANON TONER CARTRIDGE 313

- o Maximise your printer and reduce overall print costs by using original Canon cartridges.
- o Incorporating advanced Canon technologies, toner cartridges from Canon ensure your printer gives you the best possible output every time.
- o Designed for easy maintenance, all consumables are loaded into the printer from the front.
