

## THE COMPACT PRINTER THAT DOES IT ALL, WIRELESSLY.

The Expression ME-301 packs great capabilities and low running costs into a highly compact design that fits perfectly in your home or office. It features a fast, durable and highly efficient Epson Micro Piezo™ print head for high quality printouts. You also enjoy the convenience of WiFi connectivity for effortless printing from your laptop or mobile devices.

### Surprisingly Small Footprint

Designed to be smaller than previous Epson models, to better fit into your home or office.

### Wireless Printing with Epson Connect

Integrated wireless connectivity for easy flexible shared and mobile printing.

### Vibrant and Lasting Everyday Printing

Pigment-based Epson DURABrite™ Ultra Ink delivers vibrant prints that are water, smudge and fade resistant.

The space saving ME-301 slots easily into your home or office and gets to work right away. It's not only economical to use, it offers excellent performance with its handy all-in-one design and the convenience of wireless printing from your PC, laptop or mobile devices.

### Surprisingly Small Footprint

The Expression ME-301 is designed to look great and fit perfectly into your home or office. With its compact size and surprisingly small footprint, you will never have to worry about finding enough space for it.

### Wireless Printing with Epson Connect

Epson iPrint lets you print from smartphones and tablets. You can also scan to your device to send as an email, or upload to a cloud service such as Box.net, Dropbox, Evernote® or Google Docs™.

## Vibrant and Lasting Everyday Printing

Epson DURABrite™ Ultra Ink is an all-purpose ink for everyday printing that delivers vibrant and lasting prints. Superior printing quality is now possible with this revolutionary smudge, water and fade-resistant ink.

## Enjoy Lower Running Costs with T190 Inks

Epson T190 inks deliver superb economy with optimum print quality and efficiency. Enjoy low running costs with cartridges priced at just US\$7.80 for black and US\$11.10 for colour. Epson INKdividual™ cartridges reduce ink wastage and help maximise your savings by letting you replace only those cartridges that have been depleted.

**INKdividual**

## Superior Print Speed for Tight Schedules

A high print speed of up to 30 ppm means you can get more printing done in less time for better work efficiency.

## Unsurpassed Print Quality

With our proven Micro Piezo™ print head technology driving a stunning resolution of 5760 dpi x 1440 dpi, you can expect the ME-301 to deliver exceptionally high, photo-quality prints for all your creative needs.

## PARTNERS IN PERFECTION

Epson speciality media is developed to complement Epson genuine inks to produce exceptionally high quality prints.

## Epson Easy Photo Print

Achieve photo lab quality prints in just three steps with this easy-to-use software.

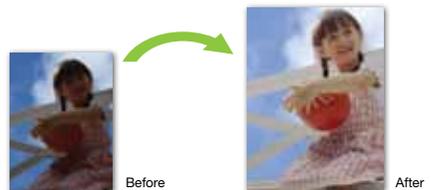

## Red Eye Correction

Eliminate red eye effect and create professional looking photos instantly with just a click of a button.

## Epson Photo Enhance

Easily adjust skin tones, colour casts and exposure levels for beautiful and natural prints.

Epson genuine inks are designed specifically to work with your Epson printer to deliver long lasting prints.

**Dimensions & Weight**

**ME-301**  
**Weight:** 4.1kg (9.0lb)

<sup>1</sup> Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

<sup>2</sup> When printed on Epson Premium Glossy Photo Paper.  
<sup>3</sup> Otherwise 3 mm top, left, right, bottom.

<sup>4</sup> In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A variable amount of ink remains in the cartridges after the "replace cartridge" signal. Part of the ink from the first cartridges is used for priming the printer. Ink is used for both printing and print head maintenance. All inks are used for both black and colour printing.
